The following guide is intended for use with the more detailed index catalog to the records prepared by H.S. Cobb in 1952, as revised and expanded by R.A. Keen in 1960.

CALL # = E-3122 (Loan copy), Z1033.M6 C395

AUTHOR = Church Missionary Society

TITLE = Papers of the West Africa (Sierra Leone) mission, 1803-1914 / cataloged, H. S. Cobb, 1952 ; rev. and expanded, R. A. Keen, October-November 1960

OCLC # = 6281254

A copy of the full index is available on microfilm (reel no. 1 of the microfilm copy of the Archives), on loan at CRL, or available in xerox copy at the Center for Research Libraries (\$25.00 per copy).

Additions or corrections to the index were made by James Simon (Program Officer, Area Studies) in October 2005. Any inaccuracies in the index should be reported to the CAMP representative at CRL.

This index catalog is arranged by classification number, and describes the contents of each file or volume. The present guide is arranged first by mission, and under each mission by classification number, and shows for each classification number the microfilm reel that contains that classification number.

Types of records under the above classification are indicated by the following mnemonic code letters:

- E = Early Correspondence (incoming and outgoing)
- I = Individual letter book (outgoing)
- L = Letter books (outgoing)
- M = Mission books (copies of letters, reports, etc., received from the mission. The copies are sometimes full, sometimes are extracts only).
- O = Original papers
- P = Precis books (precis of incoming letters, reports, etc.) The number, if any, following this letter indicates the volume or box.

The number, if any, following this letter indicates the volume or box. E.g. CA2/043 indicates the 43<sup>rd</sup> volume or box of original letters, &c. received from the Yoruba mission during the period 1820-1883.

For clarity's sake, we have also included the corresponding reel numbers of the collection as filmed by Adam Matthew Publications. [Section IV. Africa Missions]. AM reels are listed by Part followed by reel no. (ex. 9.159 = part 9 reel 159). Detailed description and collection arrangement is viewable through Adam Matthew's Web site: <http://www.adam-matthew-publications.co.uk>
